Voting Delegate

Voting Delegates of the District Convention are delegates chosen by Member Congregations as outlined above. Please register as a "Voting Delegate." Delegates have both "voice" and "vote."

Member Registrant

Member registrants are individuals who belong to member congregations of the Augustana District but are not official delegates. This may include (but is not limited to) pastors who are attending, but who are not designated "delegates" by their church. This category also includes people who are members of an Associate Member Congregation of the Augustana District and people who are Individual Associate Members. "Member" registrants have "voice," but not "vote."

Guest Registrant

Guest registrants are individuals attending the district convention who fit neither of the categories above. This category allows us to encourage, and extend a warm welcome to, all interested friends to attend and participate.

Late registrants **are not guaranteed** a meal or informational packet so please register before 9/11/2020.
