

## Who May Attend? Who May Vote?

We welcome all people to attend the Augustana District Convention. Participants will register as "Voting Delegate", "Member" or "Guest" as defined herein:

### From our Constitution:

5.03. Each congregation shall be entitled to two delegates at all conventions where Augustana business is conducted. Congregations with average worship attendance in excess of 500 shall be entitled to one additional delegate for every additional 250 average worship attendees over the 500-member base. Delegates shall be selected by member congregations pursuant to such internal procedures as member congregations may, from time to time, adopt. The manner of determining how delegates cast votes on behalf of their respective member congregations at conventions shall be determined by the member congregation on whose behalf the delegates are acting. Pastors not identified as delegates by a congregation shall be entitled to voice but not vote at Augustana District conventions.

### Voting Delegate

Voting Delegates of the District Convention are delegates chosen by Member Congregations as outlined previously. Please register as a "Voting Delegate." Delegates have both "voice" and "vote."

### Member Registrant

Member registrants are individuals who belong to member congregations of the Augustana District but are not official delegates. This may include (but is not limited to) pastors who are attending, but who are not designated "delegates" by their church. This category also includes people who are members of an Associate Member Congregation of the Augustana District and people who are Individual Associate Members. "Member" registrants have "voice," but not "vote."

### Guest Registrant

Guest registrants are individuals attending the district convention who fit neither of the categories above. This category allows us to encourage, and extend a warm welcome to, all interested friends to come and participate.
